In the Gospel today Jesus tells his disciples: "Anyone among you who aspires to greatness must serve the rest; whoever wants to rank first among you must serve the needs of all."

When you give the furniture, household items and clothing you no longer use to the Society of St. Vincent de Paul, you give hope to your neighbors who have nothing.

En el Evangelio de hoy Jesús dice a sus discípulos: "Cualquiera entre vosotros que aspire a la grandeza debe servir a los demás; Quien quiera ocupar el primer lugar entre vosotros debe servir a las necesidades de todos".

Cuando das a la Sociedad de San Vicente de Paúl muebles, enseres domésticos y ropa que ya no usas, das esperanza a tus vecinos que no tienen nada.

# THE TWENTY NINTH SUNDAY IN ORDINARY TIME

The position of the Catholic church in the United States is that we neither endorse nor oppose any candidate for office. It is each individual's right to vote for the person he believes most suited to hold the office for which he/she is running.

However, it is often the case that essentially moral issues become political issues, such as abortion and euthanasia. Then it becomes the Church's obligation to speak out not on the candidate but on the issues. The Church will always have the responsibility to teach the truth on moral issues. (Yes, the church is made up of imperfect people, but the message remains true even if the teachers are not perfect examples).

In this bulletin, we are printing in English and Spanish a letter from the United States Conference of Catholic Bishops on some important issues in this Fall's election. Please, read it carefully. It is important we know that we are not voting just for an individual but also for the mindset he/she will bring into the office. More information on voting with a well-formed moral conscience can be found on our website.

La posición de la iglesia católica en los Estados Unidos es que no apoyamos ni nos oponemos a ningún candidato a un cargo. Es derecho de cada individuo votar por la persona que crea más adecuada para ocupar el cargo para el que se postula.

Sin embargo, ocurre a menudo que cuestiones esencialmente morales se convierten en cuestiones políticas, como el aborto y la eutanasia. Entonces se convierte en obligación de la Iglesia hablar no sobre el candidato sino sobre los problemas. La Iglesia siempre tendrá la responsabilidad de enseñar la verdad sobre cuestiones morales. (Sí, la iglesia está formada por personas imperfectas, pero el mensaje sigue siendo cierto incluso si los maestros no son ejemplos perfectos).

En este boletín, estamos imprimiendo en inglés y español una carta de la Conferencia de Obispos Católicos de los Estados Unidos sobre algunos temas importantes en las elecciones de este otoño. Por favor, léelo atentamente. Es importante que sepamos que no votamos sólo por un individuo sino también por la mentalidad que traerá a la oficina. Puede encontrar más información sobre cómo votar con una conciencia moral bien formada en nuestro sitio web.

*Please pray for our Parishioners, Family Members & Friends who are ill, those on our Tree of Life & for the intentions on our Parish website Prayer Request Page.*

## Proposal 1: A Wolf in Sheep's Clothing

*A statement of the Catholic Bishops of New York State*

On November 5, faithful citizens throughout the nation will have the opportunity once again to exercise their sacred right to vote. Pope Francis has reminded us that as thoughtful Catholics, we must participate in the public square for the sake of the common good. Every Catholic is called to do the work of properly informing his or her conscience and voting for candidates and policies that will best advance the natural law, the protection of human rights, the dignity of the human person, the sacredness of all life, and the teachings of Christ and His Church. It is a presidential election year, and there are important votes to be cast for Congress and the state Legislature as well. Importantly, in New York, like several other states, there is also a critical referendum on the ballot.

Educating oneself will be especially important in the case of Proposal 1, sometimes referred to as the "Equal Rights Amendment." The title suggests a noble cause, as all children of God should be treated equally under the law. However, this proposed amendment to the state Constitution is broadly written and could have dangerous consequences if enacted, which is why we oppose it and urge you to vote no. The measure would, effectively, permanently legalize abortion without restriction and up until the moment of birth in New York. Aside from being redundant in a state that already has stripped away all abortion limitations, the amendment would render impossible any change to the law if the hearts and minds of New Yorkers were ever to shift toward protecting the child in the womb.

The amendment's sweeping language and inclusion of "age" as a protected class could also lead to parents' rights being stripped away. Courts could decide that parents have no authority over their minor children on important matters and permit children to make destructive and permanent decisions on their own which they could well live to regret, including but not limited to so-called "gender affirming" treatments and surgeries. The relationship between parents and their children is sacred. Parents must be able to support and guide their children in accord with the natural law, without interference from the government or courts, which would be reaching beyond their competency.

Proposal 1 is a wolf in sheep's clothing that could lead to darkness for many New York families. This amendment disregards the lives of unborn and struggling children in the name of political agendas. It could have dangerous consequences for these children and their parents. As they look to make their voices heard in the public square, faithful Catholics should consider these consequences and vote no. Likewise, they should thoughtfully vote their informed conscience up and down the ballot so that we might usher in change for good.

## Propuesta 1: Un lobo con piel de oveja

### *Declaración de los Obispos Católicos del Estado de Nueva York*

El 5 de noviembre, los fieles ciudadanos de toda la nación tendrán una vez más la oportunidad de ejercer su sagrado derecho al voto. El Papa Francisco nos ha recordado que, como católicos de buen juicio, tenemos la obligación de participar en el ámbito de la opinión pública en beneficio del bien común. Cada católico está llamado a tomarse el trabajo de informar adecuadamente a su conciencia y votar por los candidatos y las políticas que mejor promuevan la ley natural, la protección de los derechos humanos, la dignidad de la persona humana, el carácter sagrado de toda vida y las enseñanzas de Cristo y su Iglesia. Es un año de elecciones presidenciales y además hay votaciones importantes para el Congreso y la Legislatura estatal. Cabe mencionar que en Nueva York, al igual que en otros estados, también hay un referéndum decisivo en las urnas.

Instruirse será especialmente importante en el caso de la Propuesta 1, en ocasiones denominada "Enmienda de Igualdad de Derechos". El título sugiere una causa noble, ya que todos los hijos de Dios deben recibir el mismo trato ante la ley. Sin embargo, esta propuesta de enmienda a la Constitución estatal está redactada en términos generales y podría tener consecuencias peligrosas si se promulga, por lo que nos oponemos a ella y les instamos a votar en contra. La medida, en efecto, legalizaría permanentemente el aborto sin restricciones y hasta el momento del nacimiento en Nueva York. Además de ser redundante en un estado que ya ha eliminado todas las restricciones al aborto, la enmienda haría imposible cualquier cambio en la ley si los corazones y las mentes de los neoyorquinos cambiaran alguna vez hacia la protección del niño en el vientre materno.

El lenguaje amplio de la enmienda y la inclusión de la "edad" como clase protegida también podrían llevar a que se despojara a los padres de sus derechos. Los tribunales podrían decidir que los padres no tienen autoridad sobre sus hijos menores en asuntos importantes y permitir que los niños tomen por su cuenta decisiones destructivas y permanentes de las que podrían llegar a arrepentirse, incluidos, entre otros, los llamados tratamientos y cirugías de "afirmación de género". La relación entre padres e hijos es sagrada. Los padres deben ser capaces de apoyar y guiar a sus hijos de acuerdo con la ley natural, sin interferencias del gobierno o de los tribunales, que irían más allá de sus competencias.

La Propuesta 1 es un lobo con piel de oveja que podría llevar a la oscuridad a muchas familias neoyorquinas. Esta enmienda ignora la vida de los niños no nacidos y en dificultades en nombre de agendas políticas. Podría tener consecuencias peligrosas para estos niños y sus padres. A la hora de hacer oír sus voces en el ámbito de la opinión pública, los fieles católicos deberían considerar estas consecuencias y manifestar su voto en contra. Del mismo modo, deberían votar con buen juicio y su conciencia bien informada en las urnas para que podamos introducir un cambio positivo.
