In today's Gospel, Jesus lays out the demands of following him, the great cost of discipleship. The Mission Statement of the Society of St. Vincent de Paul states: "Vicentians witness God's love by embracing all works of charity and justice...the Society makes no distinction in those served because, in them, Vicentians see the face of Christ."

Have you considered answering the call to help serve the poor by joining the Society of St. Vincent de Paul?

En el Evangelio de hoy, Jesús expone las exigencias de seguirlo, el gran costo del discipulado. La Declaración de la Misión de la Sociedad de San Vicente de Paúl establece: "Los vicentinos son testigos del amor de Dios al abrazar todas las obras de caridad y justicia... la Sociedad no hace distinción en aquellos a quienes sirve porque, en ellos, los vicentinos ven el rostro de Cristo".

¿Has considerado responder al llamado de ayudar a servir a los pobres uniéndote a la Sociedad de San Vicente de Paúl?

Daniela Locrielle, who some may remember when we first started Dynamic Catholic, has asked that we provide you with information about a beautiful organization: **Mary's Meals**, an international movement that feeds children where poverty and hunger prevent them from going to school.

Each child gets good food in their place of education daily so they don't have to miss school because they are hungry or are sent to the streets to work, and the attendance rate has gone up 100%!

Making a tax-deductible donation of only \$21 this year will help these little souls get food and a solid education.

To make a donation, please visit

mary's meals | a simple solution to world hunger

As a kid, I remember the first weekend in September as a warning that school was opening and for the Jerry Lewis Telethon. Both of those are true, but the weekend is more celebrated as Labor Day weekend. Labor Day was first celebrated at the end of the 19th century as a way to honor the contributions of workers to American society, to acknowledge the benefits of work not only to the individual but to the community. Not too long ago a friend of mine lamented that he hated his job. I simply reminded him that there are many unemployed in the world today who wish they had a job to hate. As we celebrate this coming Labor Day, let us remember in prayer this who yearn for honest work.

Cuando era niño, recuerdo el primer fin de semana de septiembre como una advertencia de que la escuela estaba abriendo y para el Jerry Lewis Telethon. Ambos son ciertos, pero el fin de semana se celebra más como el fin de semana del Día del Trabajo. El Día del Trabajo se celebró por primera vez a fines del siglo XIX como una forma de honrar las contribuciones de los trabajadores a la sociedad estadounidense, para reconocer los beneficios del trabajo no solo para el individuo sino también para la comunidad. No hace mucho tiempo, un amigo mío se lamentó. que odiaba su trabajo. Simplemente le recordé que hoy en día hay muchos desempleados en el mundo que desearían tener un trabajo que odiar. Mientras celebramos este próximo Día del Trabajo, recordemos en oración a quienes anhelan el trabajo honesto.
