Liturgy of the Word

Malachi sets the tone today when he speaks of fire consuming the earth. Scary. But his message does not end there. He goes on to say that healing and justice will come as well. Jesus does the same. After warning of persecutions, he assures his disciples that those who place their trust in the Lord will be kept safe. Let us listen today for those messages of hope and pray that we can persevere in our faith.

Every member of our faith family is urged to help us meet our goals to **prevent utilizing parish funds to pay a deficit**, but more importantly as a sign that we are a vibrant community of faith. Please help us reach our goals before December 31st...

**Bible Class
with Fr. Wilson**

**As the new
Church Year
begins, why
not make**

Bible Class part of your routine?
Father Wilson will be conducting **Bible Class beginning Monday, December 2nd.** We will be studying St. Matthew's Gospel, which we will be hearing at Sunday Mass during the coming year. Bible Class will be held in Transfiguration Church, Mondays at 12:30pm and 7pm. **Come join us: no obligation, no charge.**

The Gospel predicts end times; our challenge though is to live faithfully now. St. Vincent often asked this simple question: "What would Jesus Christ do, if he were in my place now?" Ask yourself "What would Jesus Christ do?" and then put your gift in the Society of St. Vincent de Paul poor box so that those who are suffering will be able to celebrate Thanksgiving too.

THIRTYTHIRD SUNDAY IN ORDINARY TIME

Hopefully you have seen the flyers for a trip to **Croatia and Sordevolo** next year. Complete details can also be found on our website. Sordevolo is a town in Northern Italy. Every five years all the townspeople work together to present a Passion Play. The actors, stage hands, vendors – are all people from the city. It is a very touching presentation performed in Italian but understood in the language of the heart. It is certainly worth considering being part of this pilgrimage.

Please pray for our Parishioners, Family Members & Friends who are ill and those on our Tree of Life.

"Beginning to pray even before we completely understand prayer is the best way to learn, because actually praying is more important than acquiring abstract knowledge about prayer by merely reading about it. No one learns to swim by sitting by the side of a pool and talking about swimming or watching others swim."
